

Hansa's

Steak and Grill

Hansa's Chopping Block opened in 2016 in the bayside suburb of Mordialloc and provides a unique opportunity for diners to enjoy and experience Tradition, Service & Quality that Hansa is renowned for.

A warm and inviting space has been created on the fringe of the residential area located directly at the rear of Hansa Butchery's wholesale premises. Only 40 minutes from Melbourne CBD.

Hansa's is open for lunch and dinner Tuesday – Thursday and breakfast, lunch and dinner Friday - Saturday. We are also able to cater for your events or special occasions on request. Outside catering is also available.

CAPE GRIM WATER

Harvested while making the journey from sky to ground, our water is unlike any that comes from the Earth. Only the raindrops that fall when the air is its purest make it into our bottles. A craft defined by science but labored with patience. It's this craftsmanship that captures a rare moment in time to bring you a pristine drinking water from the purest skies.
